

# Online Subscription Site License Tiers for the *Journal of AOAC INTERNATIONAL* and the *Official Methods of Analysis*

(All tier assignments are subject to review and change by AOAC INTERNATIONAL)

## Individual Licenses

Tier 1	Tier 2
One person/Individual License: AOAC Individual Member <i>(*must meet <a href="#">membership criteria</a>)</i>	One person/Individual License: Non-Member

**Tier 1 & 2 - Individual License Terms and Conditions:** Tier 1 and 2 licenses are non-transferable and remain in the individual's name for the life of membership or subscription. Benefits, including those accessed online are provided exclusively to the individual whose name appears on the membership card or subscription. Please do not share your login username and password with others. By subscribing to Tier 1 or 2 you agree to AOAC's OMA online Terms of Use (<http://www.eoma.aoc.org/termsfuse.asp>). If you violate any of the terms, AOAC INTERNATIONAL reserves the right in its sole discretion to suspend or terminate your access to the online service immediately without notice, in addition to any other available remedies.

## Organizational Licenses

### Tier 3: Very Small/Small

#### ACADEMIC INSTITUTIONS\*

- VS2:** Very small two-year Fall enrollment data show FTE<sup>3</sup> enrollment of fewer than 500 students at these associate's degree granting institutions.
- VS4/NR:** Very small four-year, primarily nonresidential - Fall enrollment data show FTE<sup>3</sup> enrollment of fewer than 1,000 degree-seeking students at these bachelor's degree granting institutions. Fewer than 25 percent of degree-seeking undergraduates live on campus<sup>4</sup> and/or fewer than 50 percent attend full time (includes exclusively distance education institutions).
- VS4/R:** Very small four-year, primarily residential - Fall enrollment data show FTE enrollment of fewer than 1,000 degree-seeking students at these bachelor's degree granting institutions. 25-49 percent of degree-seeking undergraduates live on campus<sup>4</sup> and at least 50 percent attend full time.
- VS4/HR:** Very small four-year, highly residential - Fall enrollment data show FTE enrollment of fewer than 1,000 degree-seeking students at these bachelor's degree granting institutions. At least half of degree-seeking undergraduates live on campus<sup>4</sup> and at least 80 percent attend full time.
- S2:** Small two-year - Fall enrollment data show FTE<sup>3</sup> enrollment of 500-1,999 students at these associate's degree granting institutions.
- S4/NR:** Small four-year, primarily nonresidential - Fall enrollment data show FTE<sup>3</sup> enrollment of 1,000-2,999 degree-seeking students at these bachelor's degree granting institutions. Fewer than 25 percent of degree-seeking undergraduates live on campus<sup>4</sup> and/or fewer than 50 percent attend full time (includes exclusively distance education institutions).

- S4/R:** Small four-year, primarily residential - Fall enrollment data show FTE<sup>3</sup> enrollment of 1,000-2,999 degree-seeking students at these bachelor's degree granting institutions. 25-49 percent of degree-seeking undergraduates live on campus<sup>4</sup> and at least 50 percent attend full time.
- S4/HR:** Small four-year, highly residential - Fall enrollment data show FTE<sup>3</sup> enrollment of 1,000-2,999 degree-seeking students at these bachelor's degree granting institutions. At least half of degree-seeking undergraduates live on campus<sup>4</sup> and at least 80 percent attend full time.

#### GOVERNMENT AND OTHER ORGANIZATIONS

- Small independent, government, or research laboratory at one physical location and does not offer public<sup>1</sup> or shared<sup>2</sup> access.
- Small library, not attached to a university or academic institution and does not offer public<sup>1</sup> or shared<sup>2</sup> access.
- All other small organizations at one location, is not attached to a university, academic institution or public library, and/or does not offer public<sup>1</sup> or shared<sup>2</sup> access.

### Tier 4: Medium

#### ACADEMIC INSTITUTIONS\*

- M2:** Medium two-year - Fall enrollment data show FTE<sup>3</sup> enrollment of 2,000-4,999 students at these associate's degree granting institutions.
- M4/NR:** Medium four-year, primarily nonresidential - Fall enrollment data show FTE<sup>3</sup> enrollment of 3,000-9,999 degree-seeking students at these bachelor's degree granting institutions. Fewer than 25 percent of degree-seeking undergraduates live on campus<sup>4</sup> and/or fewer than 50 percent attend full time (includes exclusively distance education institutions).
- M4/R:** Medium four-year, primarily residential - Fall enrollment data show FTE<sup>3</sup> enrollment of 3,000-9,999 degree-seeking students at these bachelor's degree granting institutions. 25-49 percent of degree-seeking undergraduates live on campus<sup>4</sup> and at least 50 percent attend full time.
- M4/HR:** Medium four-year, highly residential - Fall enrollment data show FTE<sup>3</sup> enrollment of 3,000-9,999 degree-seeking students at these bachelor's degree granting institutions. At least half of degree-seeking undergraduates live on campus<sup>4</sup> and at least 80 percent attend full time.

#### GOVERNMENT AND OTHER ORGANIZATIONS

- Non-government and/or non-academic libraries with public<sup>1</sup> and/or shared<sup>2</sup> access.
- State government agency or group of affiliated laboratories with public<sup>1</sup> and/or shared<sup>2</sup> access.
